Overview

The 16" Professional 2 Laptop & Tablet Backpack is sleek, durable and made from weather-resistant material. The backpack features a dedicated tablet pocket and well-padded laptop compartment with a velcro strap to keep your devices secure. Carry it comfortably with a cushioned, moisture-absorbing handle or by using the mesh, breathable padded back and straps. Additionally, the backpack features three zippered compartments; one for books or clothing, one organizer/workstation, and the outside, quick-access compartment to grab what you need most often. The backpack also has dual water bottle holders to keep your hands free, and it’s designed with an audio cable pass-through slot so you’re tangle free while on the go.
